DEPARTMENT RECOMMENDATION

Staff recommends that the Board approve the Agreement with Analytical Environmental Services and the First Amendment to the Funding Agreement with Real Returns, LLC to complete the preparation of the Focused Environmental Report and provide related planning and professional consulting services for the project.

DISCUSSION / BACKGROUND

On November 13, 2008, Real Returns LLC submitted applications to the County for a General Plan Amendment, Rezone, Planned Development, and Tentative Subdivision Map for the proposed Tilden Park development that would include 14 single family residential lots, ranging in size from 5,151 to 9,590 square feet (total of 2.97 acres), two commercial lots, which would be 3.28 acres and 4.94 acres in size, two open space lots totaling 35,506 square feet (0.82 acre), an 80-room hotel, 12,500 square feet of office and retail space, a 120-seat restaurant, and a 20,000 square-foot market.

The property, identified by Assessor's Parcel Numbers 070-280-59 and 070-280-60, consisting of 12.01 acres, is located approximately 500 feet from the northwest corner of the intersection of Crosswood Drive and Wild Chaparral Drive, in the Shingle Springs area, Supervisorial District 4.

The Board authorized the Chief Administrative Officer to sign Funding Agreement No. 090-F1310 between the County of El Dorado and Real Returns, LLC in an amount not-to-exceed \$41,266.00 for preparation of an Environmental Impact Report for the proposed project on September 25, 2012.

Due to unanticipated delays and additional complexity of the Project resulting in a longer timeline, additional funding in an amount not-to-exceed \$14,587.00 is required to complete the preparation of the Focused Environmental Report and provide related planning and professional consulting

services.
