### **DEPARTMENT RECOMMENDATION**

Child Support Services, Revenue Recovery Division, is requesting authorization to approve immediate discharge of the accounts listed on the attachments. The debts listed total \$613,228.01 and include a number of County departments.

### **DISCUSSION / BACKGROUND**

Pursuant to Board Policy B-4 dated 1/24/12, the Revenue Recovery Division is the agency responsible for collecting most of the delinquent debt owed to county departments, as well as delinquent fines and fees owed to the Superior Court. Government Code Sections 25267 through 25259.5 governs the discharge of accountability of debts due and payable to the County. The law allows the Board of Supervisors to make an order discharging the department, officer, or employee from further accountability and if appropriate may direct the County Auditor-Controller to adjust any charge against the department, officer or employee in the like amount.

When County debts are determined to be uncollectible because the amount owed is too small to justify the cost of collection, the debtor is deceased, the statute of limitations to collect the debt has expired, or the debt was discharged in bankruptcy proceedings, that debt is included on the annual application for discharge.

The last countywide discharge of accountability was approved by the Board of Supervisors on June 24, 2014. This proposed discharge represents countywide accounts that have been referred to Revenue Recovery for collection and have subsequently been deemed uncollectible.

The statute of limitations has expired on the majority of these unpaid debts that are being recommended for discharge. Additionally, there are debts that are uncollectible due to bankruptcy or death and further collection efforts cannot be pursued.

Upon approval by the Board, the Revenue Recovery Division will take necessary steps to reflect the discharge of accountability in their respective collection systems and Revenue Recovery will notify the appropriate departments that accountability for the debt has been discharged. Affected departments will coordinate with the Auditor-Controller as necessary to ensure appropriate recording of any financial transactions.
