DEPARTMENT RECOMMENDATION

Health and Human Services Agency (HHSA) recommends the Board of Supervisors approve Amendment 2 to Agreement for Services 233-S1410 with A Balanced Life: Individual, Family and Child Therapy, Inc., to provide therapeutic counseling and related services for eligible individuals. Approval of said Amendment will ensure HHSA meets the community service demands and will ensure that HHSA provides mandated services, pursuant to Welfare and Institutions Code Section 16501-16508, relative to family reunification for children and families being serviced by the HHSA Child Welfare Services program (CWS).

Additionally, HHSA has determined, in accordance with County Ordinance Section 3.13.030(H), it is more economical and feasible to engage an independent contractor for therapeutic counseling and related services on an as needed basis.

DISCUSSION / BACKGROUND

Pursuant to Welfare and Institutions Code Section 16501-16508, HHSA's Child Welfare Services program is required to provide services to promote family reunification for children and families. Such services are designed to promote the well-being of children by ensuring safety, achieving permanency, and strengthening families to successfully care for their children.

HHSA maintains agreements with multiple local vendors for the provision of therapeutic counseling and related services to ensure that clients can be referred by their caseworker on an "as requested" basis to receive necessary, and in some cases, Court-mandated services from the most appropriate and conveniently located vendor. Choice of vendor is based upon the specific needs of each individual HHSA client.

HHSA has contracted with A Balanced Life: Individual, Family and Child Therapy, Inc. for therapeutic counseling and associated services in the South Lake Tahoe area since 2010. The services provided by A Balanced Life: Individual, Family and Child Therapy, Inc. include counseling services, parenting classes, drug and alcohol assessments, and psychological services. These services continue to be a successful tool to support families who are clients of the CWS program.

ALTERNATIVES

Disapproval of Amendment 2 to Agreement for Services 233-S1410 will result in difficulty in meeting the service demands of the community and HHSA's mandated services requirements, as well as disrupt the progress and continuity of care for clients currently receiving services from this vendor.

OTHER DEPARTMENT / AGENCY INVOLVEMENT

County Counsel, Risk Management, Human Resources, and Procurement and Contracts.
