Legislation Text

File #: 16-0238, **Version:** 1

Supervisor Frentzen, Supervisor Novasel and Economic Development Manager, Jeff McLaughlin recommending the Board approve and authorize the Chair to sign a letter of support for California State Assembly Bill 1549. This bill would require the California Department of Transportation to maintain an inventory of all conduits that house fiber-optic communication cables located on state highway rights-of-way, and to make that information public.
