Health Services Department recommending the Board authorize the Chair to sign Agreement 101-129-P-E2011 (010-S1210) with Sacramento County Department of Health and Human Services, Public Health Division Laboratory Services in an amount not-to-exceed \$30,000 for a term through June 30, 2012 to provide back-up laboratory services for said Department.

FUNDING: Health Services Department Public Health Realignment.

Savings	\$	
Other	\$	
Total Funding Available	\$30,000

Fiscal Impact/Change to Net County Cost: There is no Net County Cost associated with this Agreement. Funding for this contract is included in the Health Services Department's fiscal year 2011-12 budget and is funded by Realignment revenues.

Background: This Agreement for Services is a renewal with Sacramento County Public Health Laboratory to provide back-up laboratory services. These services are intended to primarily supplement our existing, limited laboratory staffing (presently one (1) fulltime employee) to cover instances of staff absence or the influx of unusually high workload, such as that which could occur during instances of outbreaks or other Public Health emergencies.

Compensation: County to pay Sacramento County within forty-five (45) days of receipt and approval of itemized invoices.

Termination: This Agreement contains the standard County clause allowing termination of the Agreement by County should the final adopted budget reduce or eliminate funding for this Agreement. In addition, the Agreement allows for termination by either party with thirty (30) days written notice.

Reason for Recommendation: Approval of this Agreement for services with the Sacramento County Public Health Laboratory will enable the Health Services Department's Laboratory to continue to meet the public health testing needs of the community regardless of potential staff absences or

situational events.

Action to be taken following Board approval:

1. Chair to sign seven (7) original Agreements 101-129-P-E2011.
2. Board Clerk's Office to return six (6) fully executed original Agreements to Department.
3. Department to mail five (5) fully executed original Agreements to Sacramento County and process remainder as appropriate.
