DEPARTMENT RECOMMENDATION

Human Resources Department recommending the Board to consider the following:

- 1) Receive and file a Side Letter of Agreement with Operating Engineers Local Union No. 3 Trades and Crafts to provide clarification to the Memorandum of Understanding (MOU) language regarding work schedules, and;
- 2) Direct Human Resources to administer and implement the provisions of the Side Letter of the Agreement.

DISCUSSION / BACKGROUND

The current MOU between the County of El Dorado and Operating Engineers Local Union No. 3, Trades and Crafts Bargaining unit provides for the Transportation Division to authorize a 4/10 or a 9/80 work schedule *during the summer months* for road, mechanic and related crews.

The parties wish to remove language in Article 6.1(C) regarding work schedules 'during the summer months' and add language which clarifies the work schedule workweek of a 4/10 and 9/80 work schedule as it applies and is in compliance with the Fair Labor Standards Act. In addition, Article 6.1 (F) will remove the Chief Administrative Officer from the duty of approving alternative work schedules and grant such authority to the Director of Human Resources.

On May 3, 2016 the Board of Supervisors authorized Human Resources to negotiate a Side Letter of Agreement with Operating Engineers Local Union No. 3 Trades and Crafts to provide clarification to the Memorandum of Understanding (MOU) language regarding work schedules.
