Chief Administrative Office, Parks Division, recommending the Commission receive and file a staff update on the storm related conditions of the County parks and trails .

DEPARTMENT RECOMMENDATION

Chief Administrative Office, Parks Division, recommending the Commission receive and file a staff update on the storm related conditions of the County parks and trails .

DISCUSSION / BACKGROUND

Due to recent storms, beginning in January, the County's parks and trails have incurred major flood damage and mud slides, requiring the closure of several facilities. Facilities Division has been completing the necessary repairs and replacing equipment when necessary. Staff will be completing the necessary forms to file for FEMA reimbursement. Henningsen Lotus Park is now open.
