**DEPARTMENT RECOMMENDATION:**

Health and Human Services Agency (HHSA) recommending the Board approve and authorize the renewal of this revenue-generating Agreement to allow County of Nevada Behavioral Health to pay for services provided by County of El Dorado's Psychiatric Health Facility (PHF).

Approval of revenue Agreement for Services 024-S1811 with County of Nevada is necessary in order to provide mandated short-term inpatient mental health services to that County's respective clients who require the specialized mental health services provided by the County's PHF.

**DISCUSSION / BACKGROUND:**

The Health and Human Services Agency (HHSA) has contracted with the County of Nevada for many years to provide access to the County's Psychiatric Health Facility (PHF) for the provision of services for Nevada County's clients who require acute inpatient mental health services. Services provided by the County PHF include psychiatry, medication, clinical treatment, nursing, and the required documentation and maintenance of health information in accordance with prevailing federal and state laws and regulations.

The PHF is now operated and managed on behalf of the County by Telecare Corporation, Inc. (Telecare) and its staff manages the daily census. In conjunction with HHSA, Telecare accepts or declines referrals from other counties based on specified requirements including availability of beds in the facility. Accepting clients from other counties helps HHSA to maximize revenues and offset fixed operational costs of the PHF, while assisting other counties with their mandated services.

For the term of this Agreement, County PHF will reserve and maintain in their bed inventory, one (1) bed for the sole use of County of Nevada. In return County of Nevada shall reimburse HHSA for said dedicated bed.

**ALTERNATIVES:**

Disapproval of Agreement for Services 024-S1811 will not allow the County to be reimbursed for services provided by the PHF.

**OTHER DEPARTMENT / AGENCY INVOLVEMENT:**

County Counsel and Risk Management.

**CAO RECOMMENDATION:**

It is recommended that the Board approve this item.

**FINANCIAL IMPACT:**

There is no Net County Cost associated with this revenue-generating Agreement (or MOU).

Sufficient appropriations were included in the fiscal year (FY) 2017/18 budget, and will be included in future budgets for the term of the Agreement.
