DISCUSSION / BACKGROUND

Request to consider General Plan Amendment A11-0004/Rezone Z11-0005/Parcel Map P11-0004/Planned Development PD11-0003/Ponte Palmero submitted by CPSL SPE DE, LLC, for the following:

- 1) General Plan Amendment amending the land use designations of the property from 1.28 acres of Commercial, 18.28 acres of Multifamily Residential, and 0.31 acre of High Density Residential, to 9.23 acres of Commercial and 10.64 acres of Open Space;
- 2) Rezone property from 1.28 acres of Community Commercial-Planned Development, 18.28 acres of Multi-Unit Residential-Planned Development, and 0.31 acre of Single Unit Residential-Planned Development, to 9.23 acres of Limited Commercial-Planned Development and 10.64 acres of Open Space-Planned Development;

- 3) Commercial Tentative Parcel Map subdividing site into five lots consisting of three commercial parcels and two open space parcels, ranging in size from 1.17 acres to 9.47 acres; and
- 4) Planned Development establishing an official Development Plan for the proposed Ponte Palmero community care facility consisting of three buildings (one per each commercial lot), consisting of: a 50,510 square foot, 44-unit community care facility (Parcel 3), a 53,690 square foot, 46-unit assisted living facility (Parcel 2), and a 11,450 square foot clubhouse (Parcel 1).

The community care facility will be served by 205 off-street parking stalls, public utilities, and associated amenities. The property, identified by Assessor's Parcel Number 083-350-57 consisting of 19.87 acres, is located on the west side of Ponte Morino Drive, approximately 0.2 mile north of the intersection with Palmer Drive, within the unincorporated community of Cameron Park, Supervisorial District 4. (Environmental Impact Report prepared; State Clearinghouse 2015082029) (County Planner: Mel Pabalinas)

Planning staff conducted a summary presentation of the Project with a recommendation for approval. The applicant also presented an overview of the Project and related background. In response to a concern raised by Commissioner Williams, regarding a Bocce Ball court, staff indicated that this feature is already shown on the current Site Plan for the Project. Deliberation with the Planning Commission also included discussions on the changing of the land and zoning designations of the site from multifamily to commercial, applicability of Measure E, and Project traffic effects along adjacent residential streets, Hacienda and Valerio Drives. In response, staff explained the following: (1) The change from multifamily to commercial was a policy matter and the Planning Commission's recommendation was for the Board's consideration; (2) The Project complies with all General Plan policies; and (3) Very little traffic was projected on the local residential streets. No public comments were received. With a 4-0 vote, the Planning Commission recommended approval of the Project to the Board.
