DEPARTMENT RECOMMENDATION

Community Development Services (CDS), Department of Transportation (Transportation), recommending the Board consider the following:

- 1) Approve and authorize the Chair to sign the Notice of Acceptance (NOA) with Bridgeway Civil Constructors, Inc., for the Ice House Road at Jones Fork Silver Creek Bridge Maintenance Project (Project), Contract PW 16-31122, Capital Improvement Program (CIP) Project 77131, P&C 027-C1799; and
- 2) Approve and authorize the Clerk of the Board to release the Payment and Performance Bonds to the Surety upon notification from Transportation, after the one-year guarantee period.

DISCUSSION / BACKGROUND

The bid was awarded to Bridgeway Civil Constructors, Inc. (Contractor), with the Construction Contract approved by the Board on May 9, 2017 (Item 21). The bridge retrofit and repaired roadway was opened to motorists on December 26, 2017.

Transportation has inspected the work and deems the work to be substantially complete. Recordation of the NOA will start legal time frames for guarantees, a lien period, and return of retention monies. Recordation of the NOA will also start the one-year time frame for releasing the Payment and Performance Bonds to the Surety.

Direct Construction Cost Summary:

Original Bid Price	\$738,309.50
Contract Item Cost	\$691,335.40
Contract Change Order Cost	\$ 3,500.00
Total Direct Construction Cost	\$694,835.40
Direct Construction Budget	\$812,140.45

Major Contract Change Orders on the Project dealt with the following:

- Additional bar reinforcing steel; and

- Additional erosion control blanket.

The final costs listed are estimates. Transportation will be closing out the Project with the Contractor and finalizing costs over the coming weeks. Any significant deviations from the estimates above that exceed Transportation's allocated authority will be brought back to the Board for review and approval in a subsequent agenda item.

ALTERNATIVES

The Board could choose not to approve the NOA. Transportation staff would make modifications as directed by the Board and return for Board approval of the NOA. This would delay the release of the Payment and Performance Bonds and extend the Contractor's warranty period.

CLERK OF THE BOARD FOLLOW UP ACTIONS

- 1) Clerk of the Board will obtain the Chair's signature on the one (1) original copy of the NOA.
- 2) Clerk of the Board will send the fully executed original copy of the NOA to the Recorder/Clerk's Office for recordation within ten (10) days, and forward a copy of the recorded NOA to CDS Transportation, Headington Engineering, attention of John Kahling.
