- 2) Tentative Subdivision Map (Piedmont Oaks Estates) of 25.86-acre property creating a total of 103 lots consisting of 75 residential lots (20 custom and 55 clustered), one lift station lot, one road lot, 12 private access lots, six open space lots, one commercial lot, and seven remainder lots. The Tentative Subdivision Map includes a Design Waiver for the construction of sidewalks on both sides of the road with reduced widths from 8-foot to 6-foot (along Commercial area frontage) and 6-foot to 4-foot (along residential subdivision); and
- 3) Development Plan for Piedmont Oak Estates to include 8.28 acres of open space areas (35% of the entire site) and modifications to Single-Unit Residential Zone (R1) District minimum standards for lot size, lot widths, yard setbacks, and maximum building coverage. Ten percent of the proposed residential units shall be reserved as affordable housing.

The property, identified by Assessor's Parcel Numbers 051-550-40, 051-550-48, 051-550-51, and 051-550-58, consisting of 25.86 acres, is located at the northeast corner area of State Highway 49 (Diamond Road) and Black Rice Road, approximately 0.75 mile along State Highway 49 (Diamond Road) from its northerly intersection with Pleasant Valley Road, in the Diamond Springs area, Supervisorial District 3. (County Planner: Mel Pabalinas) (Mitigated Negative Declaration prepared)

The Planning Commission recommended approval (3-0 vote) of the Piedmont Oaks Estates Tentative Subdivision Map and Planned Development on June 22, 2017 (Legistar File 15-1470). The project was scheduled for the Board of Supervisor's meeting on October 10, 2017, but was continued off-calendar to update and re-circulate the Initial Study/Mitigated Negative Declaration (IS/MND) with specific focus on the project's Traffic Analysis. The updates to the IS/MND are technical in nature, resulting in a more accurate representation and analysis of the project's traffic impacts, and do not alter the project. As a result of the updated document, a mitigation measure (MM Trans-1) has been deemed no longer necessary. During the 30-day public review period of the IS/MND, one public comment on the project was received to which staff responded. Staff also responded to a comment involving the potential for easterly connection of Diamond Springs Parkway to Pleasant Valley Road. Two Conditions of Approval are being recommended for amendments, Nos. 18 and 20.
