DISCUSSION / BACKGROUND

West Valley Village Unit 5C Subdivision is one of the last remaining areas proposed to be developed in the West Valley Village (aka Blackstone) portion of the Valley View Specific Plan (Exhibits A and B). The Final map is based on the Tentative Subdivision Map that was approved by the Planning Commission on June 27, 2013, creating twelve residential lots and two lettered lots (Exhibit C).

The West Valley Village Unit 5C Final Map (Exhibit D) has been reviewed and verified for conformance with the approved Tentative Subdivision Map. Exhibit E details the verification of the Final Map for conformance with the approved Tentative Subdivision Map Conditions of Approval. County Departments and affected outside agencies, including CDS Department of Transportation, Surveyor's Office, and the El Dorado Hills Fire Department, have reviewed and recommended approval of the Map. A meter award letter from El Dorado Irrigation District has been secured for public water, recycled water, and sewer services for the subdivision (Exhibit F). The Agreement to Make Subdivision Improvements (Agreement), including associated bonds, has been approved by the Department of Transportation, subject to authorization by the Board Chair.

Environmental Review: The review of the Final Map is a ministerial process and is Statutorily Exempt from environmental review under Section 15268(b) (3) of the California Environmental Quality Act Guidelines.
