Supervisor Baumann extending welcome to Jeanne Harper, Principal of Sierra Ridge Middle School and her students; and presenting Certificates of Recognition to Stephanie Tingler, Ian Truax, and Tyler Powell for their "Food for Love" Project.

Reason for Recommendation: The three students developed the idea, created posters, obtained raffle prizes from local businesses and stood in the school's hallways to collect the food every day during the month of February. All proceeds from this effort were donated to the Pollock Pines Community Friday Night Feeds which are held at the First Baptist Church for members of the community.
