## Legislation Text

File #: 07-1440, Version: 1

Transportation Department recommending Chairman be authorized to sign Grant Agreement CTA-07007 with the California Tahoe Conservancy (CTC) in the amount of \$408,000 for the Angora Fire Emergency Rehabilitation Soil Erosion Control Projects, upon review and approval by County Counsel.

**RECOMMENDED ACTION:** Approve.

**FUNDING:** California Tahoe Conservancy.

BUDGET SUMMARY:		
Total Estimated Cost		\$408,000.00
Funding		
Budgeted*	\$408,000.00	
New Funding	\$	
Savings	\$	
Other	\$	
Total Funding Available	\$408,000.00	
Change To Net County Cost		\$0.0

\*This is included in the 2007/2008 Addenda

Fiscal Impact/Change to Net County Cost:

This grant will provide \$408,000.00 to the Angora Fire Emergency Rehabilitation Projects. There is no cost to the County General Fund.

Reason for Recommendation:

The subject grant is an emergency grant which will provide \$408,000.00 in grant funding to be used for portions of the Angora Fire Emergency Rehabilitation Projects. The California Tahoe Conservancy (CTC) Governing Board approved the subject grant during their August meeting. This grant will be funded under the CTC's Soil Erosion Control Grant Program. The Transportation Department (Department) is working with various other agencies on a coordinated rehabilitation effort being planned for implementation prior to the start of the 2007/2008 winter season.

The Project areas are located in eastern El Dorado County, in the Tahoe Basin, west of U.S. Highway 50. The Project areas are generally bounded by Angora Creek to the north and North Upper Truckee Road to the south. The Projects extend to the west of Mount Rainier Drive/Pyramid Circle and to the east of Mountain Meadow Drive. The Project areas include Mountain View Estates Unit Nos. 1, 2, 3, & 4.

The Work to be done consists of, but is not limited to, the construction of fire rehabilitation improvements including tree removal, sediment traps, sediment basins, culverts, rock-lined channels, and grass-lined-swales.

At this same Board meeting, the Department is seeking authorization from the Board to enter into Public Works contracts for the Angora Fire Emergency Rehabilitation Projects. The Department will bring to the Board other agenda's related to the Angora Fire Emergency Rehabilitation Projects in future Board meetings.

Action to be taken following Board approval:

1. The Board Chairman will sign the five (5) originals of the subject grant, upon review and approval of County Counsel.
2. The Board Clerk will forward the five (5) originals of the grant and one (1) certified copy of Resolution 210-2007 to the Department for further processing to the CTC.
3. Following final processing, the CTC will transmit one fully-executed original grant to the Board Clerk.
4. Upon receiving the fully-executed original grant, the Board Clerk will forward a copy to the Department for its files.
