Fiscal Impact/Change to Net County Cost: Appropriations for services are specific to departmental needs and are included within each department's individual budget. General and/or Non General fund.

Background: The Purchasing Agent issued a competitive proposal solicitation for the requested services in September of 2005. Mother Lode Van & Storage, Inc. was the sole respondent to the solicitation. Your Board approved the award of the subject request for proposal (RFP) to Mother Lode Van & Storage, Inc., on October 18, 2005, item # 26.

The General Services Department has contracted with Mother Lode Van & Storage, Inc. for the provision of relocation services for County offices on an "as requested" basis and find their services to meet the current needs of the County. This amendment calls for an increase in compensation by \$200,000.00, for a total not to exceed amount of \$300,000.00, and extends the term for one additional year setting the contract to expire on January 9, 2009.

The County Purchasing Agent has reviewed the department's request to amend the contract with Mother Lode Van & Storage, Inc. and concurs that the continued use of this contractor is appropriate in order to avoid an interruption of needed services provided to the County. The Purchasing Agent has advised the department that a competitive request for qualifications selection process will need

to be initiated prior to September of 2008. The Purchasing Agent concurs that the department's request is in compliance with Board of Supervisors Policy C-17, Sections 7.4.2, 7.5, and 7.10.

Action to be taken following Board approval: The Board Clerk's office will forward the executed Agreement to General Services for distribution and administration.

Concurrences: County Counsel and Risk Management have approved the Agreement, and a copy is on file in the Board Clerk's Office.
