Hearing to consider the Oak Woodland Management Plan (Final), Negative Declaration, and Implementation Ordinance (including fees). (Cont'd 4/22/08, Item 61)

**Background:** On April 1, 2008, the OWMP was brought to the Board. An inadvertent error in noticing (nine days rather than the required ten days) caused the Board to continue the item to the April 22, 2008 meeting. However, the Board made comments on the OWMP, implementing ordinance, and heard comments from the public. The Board directed staff to bring a "clean" version of the Planning Commission recommended OWMP forward and to bring back a report with the comments and annotated suggestions which included comments from the Board and the public. The attached memo is in response to the Board's direction.

### RECOMMENDATION

The Planning Commission recommends that the Board of Supervisors take the following actions based on the Initial Study and the findings contained in Attachment 1:

1. Adopt the Negative Declaration;
2. Adopt the Oak Woodland Management Plan as amended by the Planning Commission on March 13, 2008; and
3. Adopt the Oak Woodland Management Plan Implementing Ordinance (including fees).
