Reason for Recommendation:

Public utility easements shown on the Amended Final Map for a Portion of the Summit Unit No. 2 final map recorded in Book I of Subdivision Maps at Page 25 were irrevocably offered in perpetuity to the County of El Dorado in February of 1999, and the Board of Supervisors accepted said offer in March of 1999.

An application has been submitted by Patrick Lama, owner of Lot 152, requesting that the County of El Dorado Board of Supervisors vacate the public utility easements that are located along the side and rear boundary lines for Lot 152, also identified as Assessor's Parcel Number 110-380-33. Said easements are more particularly described in Exhibit A and depicted in Exhibit B of the attached Resolution.

The subject properties are situated on Crocker Drive, east of the Sacramento-El Dorado County line, west of El Dorado Hills Boulevard and north of Green Valley Road, in El Dorado Hills. Said action is necessary to accommodate construction of improvements on the subject lot.

All utility companies that could be impacted by this vacation have provided the Department of

Transportation with written notification that they have no facilities within the subject areas and have no objection to the proposed abandonment. All other existing easements will remain. The Department of Transportation's staff has reviewed the request and has no objection.

Action to be taken following Board approval:

- 1) The referenced Resolution herein will be recorded.
- 2) A copy of the recorded Resolution will be sent to the property owner.
- 3) A Certificate of Correction may be recorded.
