### **DISCUSSION / BACKGROUND**

In accordance with Board Policy C-17, departments are required to obtain authorization from the Board of Supervisors on an annual basis to utilize any contract that does not have a stated contract term. The Sheriff's Office has Board-approved contracts with the above referenced companies for consumer reporting information for background investigations, and for non-exclusive rights to install, maintain, operate and remove radio communication equipment and appurtenances on the tower located at Genoa Peak Site in Carson City, Nevada, which do not have a stated contract term, and is recommending the Board authorize the continued use of these agreements for FY 2018-19.

### **Trans Union LLC**

Trans Union LLC provides Consumer Report Information to background investigators in the Sheriff's Office. These reports provide an unbiased account of a potential employee's financial background information. The Contract has approximately \$13,135 remaining, and the Sheriff's Office annual expense last year was approximately \$1,074. As a result, this request is to simply approve the extension from November 1, 2018 through October 31, 2019, with no additional funding for Agreement 874-S0910 (FENIX #1025).

On November 4, 2014 Amendment II was approved, changing the company name to GTP Acquisition Partners III, LLC.

On December 8, 2015 Amendment III was signed changing the name to Global Tower Assets III,

LLC.

The perpetual agreement with Global Tower Assets III, LLC ends on October 31, 2018, and needs to be renewed for another annual term. The compensation for the agreement increases by 3% each year, and \$95 for utilities for an estimated cost of \$7,000 from November 1, 2018 to October 31, 2019.
