DISCUSSION / BACKGROUND

On April 1, 2014, the Board approved the lease of property in Georgetown from Mark Smith and Irene B. Smith doing business as Buffalo Hill Center for the Sheriff's Office to establish a substation in Georgetown.

The Sheriff's Office had identified the need for a substation in Georgetown to reduce deputy traveling time between Placerville and Georgetown. This substation provides the deputies with a professional place to conduct interviews, meet citizens to discuss community issues, and allow citizens to make direct contact with the Sheriff's Office without the need for traveling in to Placerville.

The lease provides space in Georgetown for the Sheriff's Office with a low rental cost of \$1 annually, and provides greater visibility for the Sheriff's Office in Georgetown, and more resources available for deputies assigned to the area. The Sheriff estimates annual basic office operations costs of \$10,000 for this facility.

The original lease was for an initial term of five (5) years, with the option of three (3) two-year (2) terms, beginning after the end of the five-year term.

This requested action will extend the term with the exercise of the first of the three (3) two-year (2) term options beginning on April 1, 2019.
