DISCUSSION / BACKGROUND

The Auditor- Controller requests that the Board of Supervisors approve Contract number 3812 with NBS for three years with a not-to-exceed amount of \$300,000.00. The County Officer with responsibility for administering this agreement is Joe Harn, Auditor-Controller.

Since the County issued its first Mello Roos bonds in 1994, the County has engaged special tax consultants to provide bond administration services to the County. The cost of these services will be exclusively the responsibility of the developers and/or property owners in the districts. NBS assists the Auditor-Controller's Office in administering the County's Mello Roos Districts in accordance with state law, federal law, and the bond indentures. NBS assists Cities and Counties in California in managing over 200 Mello Roos Districts. With NBS assistance, the County's likelihood of a material error or omission in administering the County's Mello Roos Districts is reduced to a low level. The Auditor-Controller recommends that the county contract with NBS to prepare the District's tax roll, and to serve, when requested, as the County's expert in Mello Roos District administration.

In accordance with County Ordinance Chapter 3.13, Section 3.13.030, it is more feasible to contract out for these services. Special skills and qualifications are needed to perform the work of this contract and the Consultant possesses the skills and experience specific to those required for bond administration of Mello Roos Districts.
