Chief Administrative Office recommending the Board:

- 1) Find that a public benefit is derived from supporting the City of Placerville's work with the Amgen Tour of California Bike Race; and
- 2) Approve and authorize the Chair to sign the attached Funding Agreement with the City of Placerville authorizing payment of the \$1,700 community funding contribution in support of these efforts.

FUNDING: General Fund.

DISCUSSION / BACKGROUND

On May 14, 2019, the Board directed staff to return to the Board with a funding agreement in order to award \$1,700 to the City of Placerville to support their efforts to celebrate the Amgen Tour as it raced through El Dorado County.

A funding agreement is required in order for the County to process the payment to the City of Placerville. Approval of the funding agreement also provides the finding that a public benefit is derived from supporting this community event, which enhances tourism and encourages a sense of community to the people of El Dorado County.

ALTERNATIVES

The Board could choose not to approve the funding agreement, and no funding would be provided in support of these efforts.
