FUNDING: Revenue - Equitable Sharing (Asset Forfeiture).

DISCUSSION / BACKGROUND

The Equitable Sharing Agreement is entered into and between the Federal Government, the El Dorado County Sheriff, the El Dorado County District Attorney and the Governing Body of the County and sets forth the requirements for participation in the Federal Equitable Sharing Program, including the restrictions of use for federally forfeited cash, property, proceeds, and any interest earned thereon, which are equitably shared with participating law enforcement agencies.

In accordance with Equitable Sharing Agreement guidelines, the agreement must contain the beginning Equitable Sharing Fund Balances, Equitable Sharing Funds Received and Equitable Sharing Funds spent through the end of the Agency's fiscal year (FY 2018-19). Once submitted, the Sheriff's and District Attorney's Offices will be able to receive their current year share of federal asset forfeitures, if they become available, and use these funds according to the prescribed guidelines for law enforcement purposes.

In Fiscal Year 2018-19, the Sheriff's Office received approximately \$25,000 from the Equitable Sharing Program, and the District Attorney received approximately \$43,000. Some examples of permissible uses of Federal Asset Forfeiture proceeds received as part of the Equitable Sharing Program are as follows: Funds spent must be for Law Enforcement purposes only, funds may be used to support permissible task force operations, activities that enhance future investigations, Law Enforcement equipment, Law Enforcement training, memorabilia, and drug buyback programs. All funds used must be non-supplanting.
