On June 23, 2015, the Board of Supervisors reaffirmed the creation of an Approval Authority to distribute the Grant funds at the local level.

The Homeland Security Grant program provides funding for planning, equipment, training, exercises and management/administrative costs to help fulfill one of the core missions of the Federal Department of Homeland Security by enhancing the country's ability to prepare for, prevent, respond to and recover from potential attacks and other hazards. The Grant is one of the main mechanisms in funding the creation and maintenance of national preparedness, which refers to the establishment of plans, procedures, policies, training, and equipment at the Federal, State, and local level that is needed to maximize the ability to prevent, respond to, and recover from major events such as terrorist attacks, major disasters, and other emergencies.
