FUNDING: Developer Funded.

DISCUSSION / BACKGROUND

On August 28, 2007 (Item 22), the Board of Supervisors (Board) approved the Final Map and Agreement to Make Subdivision Improvements for Class 1 Subdivision between County and Owners, Landsource Holding Company, LLC and Lennar Communities, Inc. for West Valley Village Unit 7B, Agreement 07-1496 (Agreement).

On January 29, 2013 (Item 13), the Board authorized Amendment 1 to the West Valley Village Subdivision Improvement Agreement Unit 7B, extending the performance period of the Agreement to February 7, 2013.

On May 13, 2014 (Item 17), the Board approved Amendment 2 extending the performance period of the Agreement to February 7, 2015.

On February 24, 2015 (Item 23), the Board approved Amendment 3 extending the performance period of the Agreement to February 7, 2016.

LandSource Holding Company, LLC entered into an Assignment and Assumption Agreement with Successor Owner, Lennar Homes of California, Inc. and transferred ownership of West Valley Village Unit 7B.

On January 12, 2016 (Item 25), the Board adopted Resolution 012-2016 approving the one year performance period extension of the specific agreements listed on the resolution whose performance periods required completion within the 2016 calendar year. Amendment 4 of the Agreement was executed under this resolution, extending the performance period to February 7, 2017.

On March 19, 2019 (Item 13), the Board approved Amendment 5 extending the performance period of the Agreement to February 7, 2020.

The cost estimates and bond amounts remain unchanged from that shown in Amendment 5, and have been found by Transportation to be sufficient to protect the County's interests.

Due to an issue with the reporting function of the tracking system and staffing turnovers/shortages, processing of this amendment was delayed which resulted in a lapse of the performance period. In order to correct this, staff is requesting a one (1) year performance period extension to extend the

performance period to February 7, 2021. The construction of this subdivision is substantially complete however, the Developer needs to be within the performance period of the agreement in order to complete any remaining items and finalize the project. Transportation requires a valid performance period at project completion.
