El Dorado County has contracted with Granicus, Inc., now operating as Granicus, LLC, to provide an integrated agenda workflow system entitled "Legistar" for the generation and maintenance of agenda documentation for use by the Board of Supervisors, various County departments, commissions, & committees, and the public since November 2007.

Amendment IV incorporates the following changes to the existing contract:

Article VI: Assignment and Delegation from Granicus, Inc. to Granicus, LLC.

Article I: Scope of Services for Granicus Software (Legistar Open Platform & Government Transparency Suites), Professional Services, and Managed Services as outlined in the Revised Granicus Proposal

Article III: Compensation for Services updating services as amended in the revised proposal, and limiting increases for each annual performance period to an amount no more than 5% per year

Article VII: Independent Consultant/Liability updated language

Article IX: Default, Termination, and Cancellation updated language

A copy of Amendment IV and the Revised Granicus Proposal is attached.

This amendment brings the charges for Legistar and Government Transparency Suite into the same billing cycle with a not-to-exceed proposed solution cost that covers Legistar Open Platform and the Government Transparency Suite from 10/01/20 through 06/30/23 is \$78,638.68.
