Chief Administrative Office, Emergency Medical Services and Emergency Preparedness and Response Division (EMS/EP), recommending the Board approve and authorize the Chair to sign a revised budget transfer, correcting an error on a previously approved budget transfer related to the transfer of EMS/EP programs from special revenue funds to the General Fund.

FUNDING: N/A

DISCUSSION / BACKGROUND

The Board approved the transfer of EMS/EP programs from special revenue funds to the General Fund with outside reimbursement on October 20, 2020 (20-1294). The approval authorized the execution of two budget transfers to enable the transfer. During processing of the budget transfers, it was identified that one of the budget transfers included eight lines with reversed debits and credits. The original budget transfer will not be processed, and the attached is being recommended as a replacement.
