DISCUSSION / BACKGROUND

Senate Bill 165 enacted the Local Agency Special Tax and Bond Accountability Act. This Act requires that any local special tax/local bond measure subject to voter approval contain a statement indicating the specific purposes of the special tax, requires that the proceeds of the special tax be applied to those purposes, requires the creation of an account into which the proceeds shall be deposited, and requires an annual report containing specified information concerning the use of the proceeds. The Act only applies to bonds issued on or after January 1, 2001 in accordance with Section 53410 of the California Government Code.

Some of the requirements of the Act are handled at the formation (bond issuance) of the Special Tax District and others are handled through annual reports. These reports intend to comply with the relevant passages of Section 53411 of the California Government Code.
