DISCUSSION / BACKGROUND

Community Corrections (AB109) Public Safety Realignment Budget and Implementation Plan

Assembly Bill (AB) 109, titled "2011 Realignment Legislation Addressing Public Safety," was signed by the Governor on April 4, 2011. Since 2011, the El Dorado County Community Corrections Partnership (CCP), a legislatively established planning committee for local criminal justice realignment, has met and established annual plans and annual realignment budgets for review by the Board of Supervisors. Absent a 4/5 vote rejecting the proposed budget, it is considered adopted. The legislation directs that the Chief Probation Officer is the Chair of the CCP for each County. The Chief Probation Officer called the CCP into public session on April 7, 2021. During this meeting, the CCP Executive Committee voted by a majority vote on file item 21-493, as required by law, to amend the Fiscal Year 2020-2021 AB109 Budget to appropriate funding for El Dorado County Office of Education Invoices for Adult Education services in the South Lake Tahoe Jail, Placerville Jail, and Community Corrections Center for prior year services submitted for payment current fiscal year. The second funding matter, agenda item 21-0561, the CCP Executive Committee voted by a majority vote, as required by law, to approve the Public Safety Realignment Budget Fiscal Year 2021-22 and the Eleventh Year Public Safety Realignment Implementation Plan Fiscal Year 2021-2022 in the amount of \$5,122,198.

The continued goal of the Public Safety Realignment Implementation Plan is to ensure offender accountability and public safety by treatment, community supervision, alternatives to custody, and detention services. The Public Safety Realignment Implementation Plan for Fiscal Year 2021-22 includes a range of services from secure custody and enforcement through treatment and education including the Community Corrections Center (CCC) under the direction of the Chief Probation Officer and partner agencies.

Community Corrections (AB109) Planning and Training Budget

Budget Act of 2021 will appropriate funds through the Board of State and Community Corrections to

fund local Community Corrections Planning and Training Budget. On April 7, 2021, the CCP Executive Committee approved the planning and training budget items for FY 2021-22 in the amount of \$153,909 with file item 21-0561. These funds continue to provide each partner agency the necessary resources to obtain training specific to improving outcomes in the adult criminal justice system in the realignment era; provide curriculum for direct services for clientele participating in cognitive-behavioral change programming; provide necessary resources for obtaining direct services curriculum; training materials for alcohol, drug, and mental health programming; provide a resource to continue and create new incentive programs that reinforce pro-social behavior exhibited by Justice-Involved Individuals; and provide a necessary resource to continue professional services for data collection, analysis, and to support the efforts for making future data-driven decisions.

ALTERNATIVES

By statute, the Board has the authority by 4/5 vote to reject the budget and plan, as approved by the CCP, and direct the CCP to return with a revised budget and plan for consideration. Absent this direction, the plan is considered adopted by the Board as recommended.
