DISCUSSION / BACKGROUND

On June 23, 2020, the Board of Supervisors approved Resolution 069-2020 authorizing application to the State of California Department of Housing and Community Development (the "Department") in response to a Notice of Funding Availability ("NOFA") dated January 21, 2020, for the Community Development Block Grant (CDBG) Program. Eligible applicants for CDBG grant assistance include a city or county that does not receive a direct allocation of CDBG funds from the United States Department of Housing and Urban Development (HUD) or is participating in an Urban County Agreement. In response to the 2020 NOFA, the County of El Dorado (the "Applicant") submitted a project application for an allocation of up to \$1,498,000 of the CDBG Program funds for an acquisition loan to the development partnership of the Diamond Village Apartments, an 81-unit affordable multifamily housing development in Diamond Springs.

The CDBG program notified eligible applicants that the state received additional funding making it possible to award additional projects funding under the 2020 Community Development Block Grant program - Coronavirus Response (CDBG-CV) and/or the 2020-2021 funding year of the state CDBG program. In order for applicants to receive funding, revisions to the initial resolution are required.

The CDBG application supports the County's Housing Element Policy HO-1.18, which states that the County shall develop incentive programs and partnerships to encourage private development of affordable housing.
