DISCUSSION / BACKGROUND

On July 9, 2021, the District Attorney's Office received notification from the California Governor's Office of Emergency Services (Cal OES) that they intend to fund a fourth year of the Violence Against Women Vertical Prosecution (VV) Program. The purpose of this program is to vertically prosecute violent crimes against the vulnerable adult population.

The primary focus of this program is to continue funding one Deputy District Attorney (limited-term), one Victim Advocate through a contract with the Center for Violence-Free Relationships using the grant award, and a District Attorney Investigator on a part-time basis to meet the cash match requirement.

The objective of this project is to improve the prosecution of Violent Crimes Against Vulnerable Adult Victims by creating a project team with a reduced caseload that can expeditiously conclude cases, reduce victim trauma, and enhance our services to victims.

ALTERNATIVES

Should the Board decline to accept the funding, the County would be ineligible to participate in the program.

Approve as recommended.

FINANCIAL IMPACT

There is no change to Net County Cost. Funding is included in the FY 2021-22 Budget. The total project award of \$270,060 carries with it a match burden of \$67,515. The grant proposal submitted identified using a portion of the Deputy District Attorney's salary and the District Attorney Investigator's salary and benefits applicable to the program to fulfill the match requirement. In the event the combination of these expenses is not sufficient to fulfill the match requirement, the County would be responsible for the difference.
