Health and Human Services Agency (HHS) recommending the Board:

- 1) Accept, with gratitude, an unrestricted donation of \$10,000 from the El Dorado Community Foundation, to support efforts by the Animal Services Program during the Caldor Fire; and
- 2) Authorize the HHS Director or designee to execute document(s) relating to the donation from the El Dorado Community Foundation to the Animal Services Program.

FUNDING: El Dorado Community Foundation.

DISCUSSION / BACKGROUND:

On October 7, 2021, the El Dorado Community Foundation donated \$10,000, asking that the donation be used to support the efforts by the Health and Human Services Agency, Animal Services Program (Animal Services) during the Caldor Fire. Throughout the Caldor Fire, Animal Services has supported over 1,800 evacuated animals, including 1,200 large animals and 600 small animals (dogs, cats, and other species including rats, mice, tortoises, parrots, etc.) at three separate locations on the Western Slope. Twenty-four hour staffing was needed to maintain operations at the sites, in addition to maintaining normal operations at the South Lake Tahoe shelter. Additional expenses were incurred for items such as: animal food, first aid supplies, vaccinations, veterinary care, and increased staffing needs.

HHS Animal Services is grateful for the donation and it will be used to continue to provide support for ongoing animal rescue, rehabilitation, and treatment efforts.

ALTERNATIVES:

The Board could direct HHS to decline the donation.
