DISCUSSION / BACKGROUND

Managing the Effects of Public Safety Realignment Enforcement Operations Program is for the prevention and enforcement operations between the Cities of Placerville and South Lake Tahoe Police Departments and the El Dorado Probation Department. Operations are directed toward the realigned adult population within the respective city limits and unincorporated areas of El Dorado County.

The operational goal is to reduce recidivism as identified by the Community Corrections Partnership (CCP) El Dorado County Public Safety Realignment Implementation Plan. The Probation Department will facilitate the reimbursement for services and training under this Memorandum of Understanding through Community Corrections funding as approved by the CCP.

The recommended MOU is identified by two separate agreement numbers for FENIX system tracking purposes, allowing payments to the two separate agencies identified in the MOU.
