Supervisor Novasel recommending the Board receive a presentation from Julie Regan, Tahoe Regional Planning Agency (TRPA) and Dr. Gregory Miller, Center for Responsible Travel on TRPA's Regional Transportation Program and ongoing discussion with private and public agencies regarding Regional Transit in the Tahoe Basin.

FUNDING: N/A

DISCUSSION / BACKGROUND

The presentation will cover the collaborative initiative underway in the Tahoe Basin to work towards a shared vision for responsible recreation and tourism in the Tahoe Basin where the economy, the environment, and local communities all win. The CREST team, in partnership with local communities, will be preparing a destination stewardship plan over the next year to redefine how recreation and tourism should serve the Lake Tahoe region. It will focus on how best to optimize the value of recreation and tourism in a changing world and leverage investments in transportation infrastructure to improve local businesses, the community, and to protect Lake Tahoe.
