DISCUSSION / BACKGROUND

The Homeless Outreach Team (HOT) is a collaborative effort between the El Dorado County Sheriff's Office and Placerville Police Department to address the needs of a vulnerable population.

The Strategic Goals of HOT are:

- 1) Utilize system management to allow homeless individuals to live as independently as possible.
- 2) Ensuring that our environment and ecosystem takes as much priority as the individual in question.
- 3) Build alliances with the homeless community through proactive outreach and personal contact in the field.
- 4) Treating all individuals with compassion, dignity, and respect.

What does HOT do?

- 1) Build rapport with and maintain continuous contact in the field with the homeless.
- 2) Reduce transient criminal activity/public complaint.
- 3) Identify and document new transients to keep track of contact.
- 4) Reduce transient fire activity and the impact to the community.
- 5) Work with community members who want to clear homeless activity from their property.
- 6) Total enforcement on individuals who fail to comply with the Homeless Outreach Team (HOT) and continue to break the law.
- 7) Provide support for clean up efforts on county properties related to transients.
