

Legislation Text

File #: 23-0346, **Version:** 1

Chief Administrative Office recommending the Board assess and evaluate the delivery of emergency preparedness, operations, and response given the increased workload that has developed as a result of the increasing number of disasters in the County.

FUNDING: N/A

DISCUSSION / BACKGROUND

At its February 1, 2023, Special Board meeting for Department Presentations, the Board of Supervisors directed the Chief Administrative Office to bring an agenda item on February 14, 2023 to explore assessing and evaluating the delivery of emergency preparedness, operations, and response given the increased workload that has developed as a result of the increasing number of disasters in the County.
