DISCUSSION / BACKGROUND

Managing the Effects of Public Safety Realignment Enforcement Operations Program is for the prevention and enforcement operations between the Cities of Placerville and South Lake Tahoe Police Departments and the El Dorado Probation Department. Operations are directed toward the realigned adult population within the respective city limits and unincorporated areas of El Dorado County.

The operational goal is to reduce recidivism as identified by the Community Corrections Partnership (CCP) El Dorado County Public Safety Realignment Implementation Plan. The Probation Department will facilitate the reimbursement for services and training under this Memorandum of Understanding through Community Corrections funding as approved by the CCP.

The recommended MOU is identified by two separate agreement numbers for FENIX system tracking purposes, allowing payments to the two separate agencies identified in the MOU.

This MOU term shall be upon full execution through June 30, 2023. Commencing July 1, 2023, and each July 1 thereafter, the term of this MOU shall be renewed automatically for one year beyond its then expiration date contingent upon CCP Executive Committee approval, CCP budget and funding approval, and El Dorado County Board of Supervisors approval of the CCP budget for that fiscal year.
