Legislation Text

File #: 09-1156, **Version:** 1

County Counsel recommending the Board of Supervisors authorize the discharge of responsibility for collection of the debts on the Discharge of Accountability Report owed to El Dorado County. Such discharge from accountability does not constitute a release of any person from liability for payment of any amount.

Fiscal Impact/Change to Net County Cost: None. A percentage of uncollectible Conservatee debt is factored into the County Counsel projected revenue budget.

Action to be taken following Board Approval: The Board of Supervisors order the department discharged from further accountability.
