DISCUSSION / BACKGROUND

Imagination Theater celebrated their 75th Production on April 21, 2023. The production was Rocket Girl by George Sherman and with this production Imagination Theater has provided 23 years of continuous operations for the residents of El Dorado County.

The mission of Imagination Theater has been *to tell good stories well in an atmosphere of trust, respect, personal growth and challenge*. We are so fortunate with having the same production company in our community for 23 years and hope this venue will continue for years to come.
