DISCUSSION / BACKGROUND:

On March 19, 2013 (Legistar Item #13-0280), the Board of Supervisors approved a recommendation to establish an annual allocation of TOT funds, beginning with the Fiscal Year (FY) 2013-14 Budget, for the purpose of funding projects, programs, and services that directly benefit the support and recognition of Veterans in the County of El Dorado. On an annual basis, the Board has approved the Veterans Affairs Commission recommendations for the utilization of funding during each subsequent fiscal year. Prior to July 1, 2018, Veteran Affairs (VA) had been administratively supported by the Chief Administrative Office, and funds were distributed according to the Veterans Affairs Commission directly from the General Fund. Effective July 1, 2018, VA transitioned to the HHS and is included in the department budget in a VA Special Revenue Fund. The annual allocation amount for the support and recognition of Veterans was set at a fixed rate beginning with FY 2020-21 and currently receives an annual allocation of \$175,000.

For the FY 2022-23 TOT fund distribution, the Veterans Affairs Commission voted on October 13, 2022 (minutes approved November 10, 2022), to allocate \$70,000 to various organizations to provide support to Veterans, with the remaining \$105,000 allocated to the El Dorado Community Foundation for \$99,750 in mini-grants for veterans services and \$5,250 for a 5% administrative fee.

The Veterans Affairs Commission recommendation for full utilization of the Fiscal Year 2022-23 TOT allocation is as follows:

- 1) Agreement 6929, El Dorado County Veterans Alliance - \$10,000 for costs related to Memorial and Veterans Day events, and maintenance/improvements of the Veterans Monument
- 2) Agreement 6935, Food Bank of El Dorado County - \$5,000 for the No Vet Goes Hungry Program
- 3) Agreement 6928, Lake Tahoe Community College - \$6,000 for books, materials, and resources at campus Veteran Resource Centers, and improvements to the Veteran Resource Center
- 4) Agreement 6930, Military Family Support Group - \$8,000 for outreach and supportive services
- 5) Agreement 6931, Only Kindness - \$12,000 for assistance and supportive services

- 6) Agreement 6926, Sierra Chaplaincy - \$4,000 for chaplains' visits, officiate at military funerals and grief counseling
- 7) Agreement 6932, Snowline Hospice - \$25,000 for hospice custodial care and medical equipment
- 8) Agreement 6924, El Dorado Community Foundation - \$99,750 for mini-grants and \$5,250 for a 5% administration fee.

HHSA is bringing this item before the Board to recommend approval of the final FY 2022-23 Veteran Affairs Commission recommendation dated October 13, 2022, and to recommend approval to execute the funding agreements listed above. The funding decisions of the Veterans Affairs Commission are intended to provide a valuable public service, in that it will help to support, train, and honor veterans, and to celebrate their contributions to their county and to the people of the County of El Dorado. Should the funds not be expended in the current fiscal year, the funds would roll over to the next fiscal year(s) until they are expended. Following Board approval, HHSA will finalize all agreements contingent upon approval by County Counsel and Risk Management.

After the full distribution of the FY 2022-23 VA TOT allocation, the anticipated VA TOT fund balances are estimated to be: approximately \$45,650 held in reserve by the County for the Veterans Affairs Commission and approximately \$259,634 will become available by the El Dorado Community Foundation for the distribution of mini-grants and administrative costs from the FY 2021-22 and FY 2022-23 VA TOT funding cycles.
