Legislation Text

File #: 23-1155, **Version:** 1

Chief Administrative Office, Parks Division, recommending the Board consider the following:

- 1) Adopt the specifications for the Ellis Creek Maintenance Building; and
- 2) Authorize advertisement for construction bids (Bid Number: 23-968-051).

FUNDING: State of California Off Highway Motor Vehicle Grant.

DISCUSSION / BACKGROUND

In 2021 the board approved Grant # G19-03-06-D01 for the construction of a maintenance building at Ellis Creek off the Rubicon Trail. The Eldorado National Forest issued a Record of Decision approving the project to be constructed on Forest Service land.

The Division is looking to construct a metal building behind the gates to store maintenance equipment such as the septic pumper truck, parts and tools to assist with trail maintenance.

ALTERNATIVES

The Board could choose to not approve this project and return the grant.
