DISCUSSION / BACKGROUND

Since June 7, 2019, Rane Community Development (Rane) has been providing grant writing, meeting facilitation, and consulting to the Community Corrections Partnership (CCP). Agreement 5531 (Agreement) with Rane was fully executed on March 29, 2021. Amend I to Agreement was approved by the Board of Supervisors on January 3, 2023, with Legistar Item 22-1970, and increased the not to exceed amount of the Agreement.

The CCP approved their FY 2023-24 budget on March 2, 2023 (CCP Item 23-0503). Included in the CCP budget is \$73,500 for Professional Services, of which \$60,000 is slated for Rane.

This Amendment II will increase the not-to-exceed amount of Agreement by \$60,000 for a total amount of \$150,000, extend the term date, and update the Conflict of Services Section to include the California Levine Act Statement.

Agreement start date is March 29, 2021, and this item will extend the expiration to June 30, 2024, to expire concurrently with the end of the CCP's budget year.

Due to Amendment II to the Agreement increasing the not to exceed amount above \$100,000, a Non-competitive Purchase Request Justification was provided to and approved by Procurements & Contracts. The requested exemption is in accordance with Procurement Policy C-17 Section 3.4, 2(f)

"the procurement is for goods where the continuity of providers will provide efficiency or critical knowledge, and other providers of the goods cannot provide similar efficiencies or critical knowledge."

ALTERNATIVES

The Board could not approve the amendment and provide direction to Probation to find alternatives for the services Rane provides.
