Chief Administrative Office providing status update on homeless shelter lease agreement with United Outreach. (Refer 8/25/09, Item 43)

Background: On August 25 the Board directed staff to return with a lease agreement with United Outreach before October 1. Staff from the Department of Transportation, Human Services, Planning and County Counsel have been working to finalize the agreement. At time of agenda publication the lease agreement was in draft form and United Outreach had not been able to review. It is expected that the final draft agreement will be completed this week, and will be included on the next available Board agenda for consideration.
