DISCUSSION / BACKGROUND:

HHS leased 3057 Briw Road, Suite A in 1995 with Lease Agreement 046-L9611 expiring on December 31, 2013 (File 11-1278). Additionally, HHS leased 3057 Briw Road, Suite B in 1996 with Lease Agreement 617-L0711 expiring March 31, 2014 (File 09-0258). On December 17, 2013, (File 13-1488) the Board authorized Lease Agreement 335-L1411 (FENIX No. 0634) consolidating the leases for Suites A and B into one Agreement for the lease of 38,875 square feet of office space with a total maximum obligation of \$5,944,108.56 and for the term of 120 months, February 1, 2014, through January 31, 2024.

On October 6, 2020 (Legistar File 20-1318) the Board provided conceptual approval of a portable generator installation at 3057 Briw Road and authorized the Purchasing Agent to execute Amendment I to Lease Agreement 335-L1411 to accomplish said project. Amendment I to Lease Agreement 335-L1411 was fully executed on March 2, 2021, and increased the total agreement amount by \$79,433 for building improvements related to the portable generator installation.

The consolidated lease includes two consecutive three-year options to renew the lease for all or part of the premises upon six months prior notice by County and permits a three percent increase in cost per square foot once every twenty-four months.

HHS requires office space to provide Federal and State-mandated client services, including but not limited to CalWORKS, CalFresh, and Child Protective Services, to residents of the County of El Dorado and to house Health and Human Services Agency Administration and Finance. Approval of Option 1 to extend Lease Agreement 335-L1411 (FENIX No. 0634) is vital to ensure that HHS has sufficient office space to be able to continue to provide mandated services through 2027. The location continues to be ideal for HHS clients as it centrally located and provides easy access to Highway 50 to clients and staff alike.
