Background: The Subvention Certificate of Compliance (Attachment B) certifies that according to California Code of Regulations Title 12, Division 2, Chapter 3, Subchapter 4, the County has appointed a veteran to serve as the County Veterans Service Officer (CVSO). The CVSO and all accredited staff will assist in establishing veterans, dependents and survivors' rights to any privilege, preference, care or compensation provided for by the laws and regulations of the United States, State of California, or any local jurisdiction. The County also agrees to maintain annual records for audit. All reports will be submitted in accordance with the procedures and timelines established by the California Department of Veterans Affairs (CDVA). The CVSO will also permit CDVA representatives to inspect all facilities and records.

In addition, activities of the County Veteran Service Officer (CVSO) for which payment is made by the California Department of Veteran Affairs (CDVA) will benefit the Department of Health Services or realize cost avoidance to the El Dorado County Medi-Cal program. The Medi-Cal Certificate of Compliance (Attachment C) states that all monies received under this agreement will be allocated to and spent on the salaries and expenses of the CVSO.

Reason for Recommendation: The Certificates of Compliance allow the County to continue receive funds under the County Subvention and Medi-Cal Cost avoidance programs.

Action to be taken following Board approval: Board chair to sign two copies each of the Medi-cal certificate of compliance and the subvention certificate of compliance, and Board Clerk to return signed forms to the Department of Veteran Affairs for further processing.

Contact: Rod Barton, County Veteran Services Officer

Concurrences: County Counsel has reviewed and approved the Certificates of Compliance.
