Legislation Text

File #: 25-0598, **Version:** 1

Sheriff's Office recommending the Board approve and authorize the Chair to sign a universal Governing Body Resolution **050-2025** for obtaining certain federal financial assistance sub-granted through the California Governor's Office of Emergency Services (CalOES).

FUNDING: Federal Funds.

DISCUSSION / BACKGROUND

Cal OES requires that a universal resolution (by title and not name) be on file from public agency governing bodies authorizing its agents to execute for and on behalf of that public agency applications for obtaining certain federal financial assistance sub-granted through the CalOES. The Governing Body Resolution will be required to be brought back to Board three years from the date of execution.

This resolution is required for the application of any funding tied to federal or state declared disasters, having one current allows for a more expeditious application process.

ALTERNATIVES

Failure to provide this resolution to the State would require that the Sheriff's Office submit a resolution for each individual disaster, rather than using this one-time, universal resolution on file with the State.
