DISCUSSION / BACKGROUND

El Dorado County Probation Department (El Dorado) has an established Juvenile Detention Facility at the JTC for the temporary or long-term commitment of youth detained in accordance with the provisions of the California Welfare and Institutions Code.

Del Norte desires to place youth of its Juvenile Court at the JTC, to the extent that accommodations exist. Rates payable to El Dorado are \$350 per day per bed, \$400 per day per bed for Commitment Programming, and \$475 per day per bed for youth placed in the Secure Youth Treatment Facility Program. On April 28, 2025, Del Norte notified Probation of a Del Norte youth needing placement at the JTC. A draft agreement was sent to Del Norte on May 8, 2025, and the contract has been processed as quickly as possible.

Del Norte does not have its own juvenile detention facility. There are instances when other counties that Del Norte works with do not have availability for Del Norte youth. Del Norte would like the option to send youth to the JTC when mutually convenient. In the interest of promoting goodwill and so as not to disrupt any treatment plan in place for Del Norte youth, this Agreement 9645 (Agreement) is retroactive to April 28, 2025. Del Norte requests that theirs be the final signature on their contracts. El Dorado respectfully requests the Board Chair to sign the Agreement prior to Del Norte.
