Resolution 078-2010

Fiscal Impact/Change to Net County Cost: There is no fiscal impact related to this action. However, changes in the County Maintained Mileage System will impact the Department's future budgets.

Reason for Recommendation: Updates to the County Maintained Mileage System and the Board of Supervisors resolution adopting those updates are submitted by the Department of Transportation to the State of California each year, pursuant to the Streets and Highways Code, Section 941. In 2009, four (4) new roads were accepted into the Maintained Mileage System for a total of 3.07 miles and minor revisions and deletions reduced the maintained mileage by .29 miles as detailed in Attachment A.

Action to be taken following Board approval: Department of Transportation will 1) update the El Dorado County Maintained Mileage System records; and 2) submit the Board adopted Resolution to Caltrans for Mileage Certification and Map Revisions.
