District Attorney recommending the Board adopt a Resolution authorizing him to execute a Grant Award Agreement including any extensions and amendments thereof for the Workers's Compensation Insurance Fraud Program for Fiscal Year 2010-2011.

Resolution 130-2010

BUDGET SUMMARY:		
Total Estimated Cost		\$225,000
Funding		
Budgeted	\$225,000	
New Funding	\$50,000	
Savings	\$	
Other	\$	
Total Funding Available	\$275,000	
Change To Net County Cost		(\$50,000)

Fiscal Impact/Change to Net County Cost: There will be a net county cost decrease as a result of the increased funding received from the Department of Insurance. The original recommended budget represented an allocation of personnel time that can now be increased due to the additional funds resulting in less general fund obligation for the department.

Background: The District Attorney's office has had the Workers Compensation Insurance Fraud grant since fiscal year 04/05. Since taking office in 2007, the District Attorney has increased the amount of funding substantially from prior years due to his commitment to investigate and prosecute workers compensation insurance fraud in El Dorado County.

Reason for Recommendation: A signed resolution is required in order for the District Attorney to sign the Grant Award Agreement with the Department of Insurance.

Action to be taken following Board approval: A Certified copy of signed resolution to be forwarded to the District Attorney's office. District Attorney will then sign the Grant Award Agreement and forward to the Department of Insurance.

The District Attorney will submit the revised revenue and appropriations during the addenda process.
