Legislation Text

File #: 10-0814, Version: 1

The Department of Transportation recommending the Board of Supervisors authorize said Department to proceed with payment for a title report issued on APN 033-332-16, Skipworth, which furnished property encumbrance information advancing the design process for the Echo View Estates 2 Erosion Control Project No. 95169, that was incorrectly identified in a previous agenda item. (09-0628, 09/29/09, Item 15)

FUNDING: Erosion Control Projects are capitalized with any combination of grant funds from the California Tahoe Conservancy, the Tahoe Regional Planning Agency, the United States Bureau of Reclamation, or the United States Forest Service Lake Tahoe Basin Management Unit.

BUDGET SUMMARY:		
Total Estimated Cost		\$550
Funding		
Budgeted	\$550	
New Funding	\$	
Savings	\$	
Other	\$	
Total Funding Available	\$550	
Change To Net County Cost		\$

Fiscal Impact/Change to Net County Cost:

There is no Net County Cost associated with this agenda item.

Background:

On September 29, 2009, the Board of Supervisors authorized the Department of Transportation's (DOT) Right of Way unit staff to proceed with the right-of-way acquisition process to order preliminary title reports and certified appraisals for four (4) privately owned parcels for the Echo View Estates 2 Erosion Control Project (Project), CIP No. 95169.

Reason for Recommendation:

DOT has been working to advance grant-funded projects for various drainage improvements to attain the environmental thresholds for water quality and soil conservation, and as such, would be a vast benefit to the quality of Lake Tahoe. A subsequent review of the property detail as stated in the Board Agenda as item # 15 for the September 29, 2009 meeting revealed an error in the APN identifying one of the Project required parcels.

Action to be taken following Board approval:

Right-of-Way unit staff to proceed with the payment for the title report for the corrected APN, in which

the report is necessary for the planning and design for the construction of this Project.

District/Supervisor:
District V \ Norma Santiago
