Veteran Affairs Department recommending the Board authorize the Chair to sign the California Department of Veteran Affairs Certificates of Compliance for Fiscal Year 2010-2011 for participation in the Medi-Cal Cost Avoidance and County Subvention Programs.

The California Department of Veterans Affairs (CDVA) administers three revenue programs: the County Subvention Program, which reimburses counties for a portion of their administrative costs and for workload unit performed; the Medi-Cal Cost-Avoidance Program, which reimburses counties for activities of County Veteran Service Office staff that result in savings to the Medi-Cal program; and the Veterans Service Office Fund, which is created through the sale of the Veterans license plates. The attached certificates of compliance are required in order to receive funding through these programs.
